Meeting with Nikolas Nordstrom, Swedish Social Democratic Party Youth, Sweden

Topic: The "Peace College Project"

SUMMARY

The group of the Swedish Social Democratic Party Youth was interested primarily in exploring avenues for cooperation between young Palestinians, Israelis and Swedes. The discussion centered around a "Peace College Project" in which young people from the three countries would study together issues related to peace. The group was also briefed about PASSIA and its activities as well as on the general situation of Palestinians and their institutions in Jerusalem.
